

LOSS OF POWER IS KEENLY FELT

Some of the Cardinals Talk of Another Protest.

OTHERS ARE MORE MODERATE

CARDINAL GIBBONS MEETS WITH HIS FOLLOWERS.

Rome, July 27.—Not many people assisted today at the fifth of the novena which was celebrated in the chapel of the choir at St. Peter's, Mgr. Constantini, the papal almoner, pontificating, as attention was centered in the solemn funeral mass at the church of St. John Lateran, where the Peci family, the diplomatic body, the Knights of Malta and the Roman aristocracy were present. They were received at the entrance of the basilica by Mgr. Galimberti and the Duke of Salaparuta. In the center of the choir stood a high catafalque covered with rich drapery and papal robes, surmounted by a triple crown. Mgr. Stonor officiated, assisted by the canons of St. John Lateran. The music which was exceptionally fine, was furnished by the choir of the basilica.

Gibbons Took the Oath.
Cardinal Gibbons celebrated early mass in the private chapel of the papal almoner, and then drove to the vatican, where he participated in the meeting of the congregation of cardinals. He was most cordially received by all his colleagues and the members of the sacred college assembled at the last convocation were presented to him. Cardinal Gibbons then took the oath of the gospel administered by Cardinal Gregorio, dean of the sacred college, to maintain strict secrecy on all questions discussed at the meeting of the congregation, defend the rights, prerogatives and temporal claims of the church, unique ad fusionism sanguine determined to the protests formulated by the pontiff after an occupation of the pontiff states and against the laws passed to the detriment of the church and apostolic see. When the meeting of the congregation was over Cardinal Gibbons went to St. Peter's and prayed before the blessed sacrament. He then knelt before the resting place of the pope and prayed for about fifteen minutes.

Cardinal Gibbons has appointed Father P. C. Duvan as his confessor, beside whom he will take only one servant into the conclave.

Proposed Protest.

The cardinals today again discussed the advisability of sending a note to the powers regarding the condition of the holy see. Some of them insisted on the necessity of the pope's intervention to pass without again protesting against the occupation of pontifical territory by Italy, thereby showing that the papacy is determined to maintain its claims unabated. Others said they thought that such a note would not add any force to the many protests of the same kind already made, while it might interfere with the policy which the future pope may desire to follow, and added that the best thing to do was to leave the successor of Leo XIII entirely free to choose the courses which he may consider best for the good and general interests of the church.

No decision on the subject was arrived at. If the cardinals determine to send this note it will probably be delivered to the diplomatic body on Thursday.

Cardinal Cavagnis, in behalf of the other cardinals, today drew lots for the so-called "red" as the apostolic see which the cardinals are to occupy during the conclave are termed.

PRINTERS QUIT WORK

Spokane Newspapers Are Up in the Air—Claim of Violated Contract.

Spokane, Wash., July 27.—Every printer employed in the composing room of the Spokane-Review quit work last night. For the first time in nearly eleven years no paper was published this morning. The Evening Chronicle and Evening Bulletin use the same composing room under contract, both these papers are equally involved. The trouble arises from a disagreement as to wages. The was submitted to arbitration under provisions of the contract between the American Newspaper Publishers' association and the International Typographical union, under which the contract the typographical union agreed to protect the Spokane-Review from strikes and walkouts until May 1. The arbitrators decided in favor of the publishers. The printers appealed to the National board of arbitration, and the president of the International Typographical union, Commissioner Driscoll of the Publishers' association, and a third man to be chosen by them. President Lynch, however, refused to arbitrate and following his refusal the printers walked out. The Spokane-Review has made formal demand upon the International union that it furnish printers in accordance with its contract.

BREEN DISMISSED.

New Superintendent of Fort Lewis Indian School.

(Special to The Herald.)
Washington, July 27.—Commissioner of Indian Affairs Jones today dismissed Superintendent Breen of the Indian school at Fort Lewis and appointed William M. Peterson to succeed him. Peterson is at present assistant superintendent of the Chilocco Indian school in Oklahoma. The charges against Superintendent Breen were drunkenness and inefficiency, permitting drunkenness among employees and immoral conduct on the part of the superintendent, not only with Indian girls but with teachers, and debauching Indian girls. Special Indian Agent Charles MacNichols conducted the investigation and upon his recommendations Breen was removed. The specific charge upon which his removal was based is drunkenness. Upon charges of immorality MacNichols reports Breen to be guilty.

MURPHY FOUND GUILTY.

Treasurer of Stonewall's Union Will Be Sentenced Friday.

New York, July 27.—The trial of Lawrence Murphy, the accused treasurer of the stonecutters' union, was resumed before Judge Newburger, in the court of general sessions today. Mrs. Lawrence Murphy and Colonel Baird of Brooklyn, who paid the \$10,000 back to the "secret committee" of the stonecutters' union, appeared for the defense. Colonel Baird told of the payment of the check for \$10,000 after a demand for \$50,000 had been refused, but Judge Newburger refused to allow the witness to answer whether the union would have allowed the men to return to work if the \$10,000 had not been paid. Mrs. Theresa Murphy, wife of the defendant, said she was present when the \$5,000 was paid to Black. The court allowed each side half an hour to sum up. The case went to the jury at 3:15 o'clock. After being out twenty minutes a verdict was returned that Murphy was guilty of grand larceny in the first degree as charged in the indictment. Murphy was remanded until Friday for sentence.

STRAIN WAS TOO MUCH FOR THEM

Failure of Brokerage Firms in New York and Boston.

RESULT HAD BEEN EXPECTED

ASSETS AND LIABILITIES AS YET UNKNOWN.

New York, July 27.—Another failure was recorded this morning when official announcement was made on the exchange of the suspension of Edwin S. Hooley & Co. The firm includes besides Mr. Hooley, Frank Brumley and Robert Heinshelmer. Hooley & Co. were especially prominent brokers in the days of the Roosevelt-Power bull campaign. Hooley & Co. were specialists in Evansville & Terre Haute and Des Moines & Fort Dodge securities. In stock exchange circles Hooley & Co.'s suspension caused little surprise. In some quarters, in fact, the announcement had been discounted. The members of the firm of Hooley & Co. had no statement to make up to 11 o'clock. The general belief is that the failure of the firm was due largely to the heavy drop in the prices of Des Moines & Fort Dodge securities. Last year Mr. Hooley and Mr. Stow bought control of the Des Moines & Fort Dodge property and had an annual meeting elected the directors representing their interests, and last year they elected three more. The lease under which the Rock Island operates the property is still in force.

L. B. Rolston of the firm of Turner, Rolston & Moran was made assignee of the firm of E. S. Hooley & Co.

BOSTON BROKER BROKE.

Failure of William Bassett Announced Yesterday.

Boston, July 27.—William Bassett, of 53 State street, a commission broker, member of the Boston and New York stock exchanges, failed today. Mr. Bassett has for a long time handled municipal bonds. No statement is available at present, but the failure is regarded in financial circles as important.

George H. Nutter has been named as assignee. Mr. Nutter said:

"The assignment is due to the general decline in the security market, not to any outside speculations. Mr. Bassett was unable to care for his loans." In a statement issued after the close of business today, Assignee Nutter said that the secured indebtedness would aggregate \$900,000 and the unsecured \$200,000. He would not estimate the value of the assets.

MURDERED IN HOTEL

Bodies of the Man and His Victim Identified—Injured Husband's Story.

New York, July 27.—The body of the man who killed his woman companion and then committed suicide at the Morton house yesterday was identified today as Christen Weiss of Albany, who has a wife and three children living in Albany. Joseph Burgle, a local designer, identified the body. The dead man was about 38 years of age, a brewery collector and for sixteen years a member of the Elks, having joined the order at New Brunswick, N. J. Christopher Weiss is a native of Schnectady, where he lived with a wife and children.

BERRIES WERE EXPENSIVE.

Fruit Vendor Disappears With Mrs. Weber's \$10 Bill.

Mrs. John Weber of 328 East Second South street had a rather expensive experience with a fruit vendor yesterday afternoon. About 3 o'clock yesterday a peddler called at the house with some delicious looking raspberries. Mrs. Weber was favorably impressed with the fruit and purchased a few baskets. She gave the vendor a \$10 bill in payment, which he claimed he could not change. He volunteered to go to a store a short distance away and break the greenback, and was given the bill.

SUNDAY IN MISSOURI

Four Persons Wounded in Desperate Shooting Affray.

Rolla, Mo., July 27.—In a shooting affray at Arlington, twelve miles south of Rolla, Sunday, four persons were wounded and two of them will probably die. The fight was the result of an old grudge. The wounded are Perry Andrew, a guide on the Garconca river; J. W. McDowell, his son, Ed McDowell, and Gus Todd. A remark alleged to have been made by Andrew about one of the McDowells precipitated a general fight, in which guns were drawn and ten or fifteen shots fired. Andrew is shot through the chest, probably fatally. Ed McDowell sustained a severe injury to his head and James McDowell, it is said, will not recover.

PLAYING FOR TIME.

Curtis Jett's Counsel Asks for a Continuance.

Cynthiana, Ky., July 27.—Curtis Jett and Thomas White, charged with the Marcus assassination, appeared in court today, escorted by the jailer and six deputy sheriffs. The court room was crowded. The work of securing a jury was begun, but many who were summoned were excused for various reasons. In the afternoon counsel for the defense asked for time to prepare affidavits in support of a motion for a continuance of the trial, owing to the inflated state of public feeling caused by the presence of soldiers.

The Salt Lake City Brewing company has placed a new brand of lager beer on the market called the "Wuerzburger." The principal saloons in the city are handling it. Call for it. It is fine.

\$5,000. Reward for the Arrest and Conviction of—

—the parties who originated and circulated, the rumor that "Force" Food contained drugs or other injurious ingredients.

\$5,000. additional will be paid to anyone proving that "Force" does, or ever did, contain any drug or other injurious or unhealthy ingredient, being composed solely of Wheat and Barley, with a seasoning of table salt, steam cooked, flaked, and roasted.

Do us the justice, if you question the absolute purity or healthfulness of "Force," to send a package to the Health Department of your city for analysis.

The "FORCE" Food Company. BUFFALO, N. Y.

Massachusetts College of Pharmacy.

Boston, June 25, 1903.

The "Force" Food Company, Buffalo, N. Y.:
GENTLEMEN—A rumor having reached me that your product, "FORCE," contained injurious ingredients, I took the occasion to analyze it in the interest of my own family and of some friends who are liberal users of it.

It may interest you to know that I found it consisted exclusively of Whole Wheat, Barley and Salt, and is absolutely free from any injurious elements whatever.

Permit me to express my sincere regret that such a serious and baseless rumor should gain footing with the public.

You are free to use this letter in any way that will help to do your product justice.

Yours truly,
WILBUR L. SCOVILLE.

Massachusetts College of Pharmacy.

Boston, June 30, 1903.

To Whom It May Concern:

At the invitation of The "FORCE" Food Company, of Buffalo, I have visited their mills and made a careful examination of the materials from which "FORCE" is prepared, and the processes which convert it into its finished condition.

I found that "FORCE" consists exclusively of what my previous analysis indicated, viz.: Whole Wheat and Barley, with a seasoning of Table Salt, flaked, cooked and sterilized by 300 degrees of heat.

A feature of the manufacture which impressed me considerably was the fact that the process is entirely mechanical, the food being prepared, cooked and boxed by machinery, without ever coming in contact with the hands or clothing of the mill operatives.

I was also gratified to note that an experienced chemist daily supervised the entire output, and that each day's manufacture was also tested by an expert cook.

Signed, WILBUR L. SCOVILLE,
Professor of Theory and Practice of Chemistry.

Chemical Laboratory, University of Buffalo, Buffalo, N. Y.

HERBERT M. HILL, Ph. D., Analytical Chemist and Assayer.

June 26, 1903.

The "Force" Food Company, Buffalo, N. Y.:

GENTLEMEN—In view of the rumors regarding the alleged adulteration of "FORCE," it has been a satisfaction to me to visit your mills, investigate, and analyze your product.

You are free to publish this statement made over my signature, that I found "FORCE" to be absolutely pure, consisting solely of Whole Wheat and Barley, flavored with table salt, and free from any injurious substance whatever.

I examined, in detail, the various steps in the manufacture of your product, such as the steam cooking, the flaking and the roasting, as well as the packing, and find all to be remarkably clean and of absolute healthfulness. The final roasting is done at a temperature above 300° F., which, with the steam cooking, completely sterilizes the product, and the entire process, from the first step to the final sealing of the package, is a mechanical one, the product at no time coming in contact with the hands or clothing of the persons handling the machines or packages.

Very respectfully,
HERBERT M. HILL,
Chemist to the City of Buffalo.

See page 148 of "Cereal Breakfast Foods," Bulletin No. 84, of the Maine Experiment Station, a State Institution, which has analyzed "FORCE" with other foods, in the public interests.

Copy will be mailed free on request.

Refer also to Canadian Government Bulletin 84 on similar subject, pages 6 and 20, for analysis showing that "FORCE" consists solely of the most wholesome and nutritious ingredients.

Any inquiries concerning this subject will be cheerfully answered by

The Quietest Scene

Ever heard of in the annals of Salt Lake City was on June 26, 1858, when Johnston's army debouched from the mouth of Emigration canyon.

The rays of the rising sun slant athwart the bayonets of the Fifth infantry as, forming the van of the Union army, it approaches the outskirts of Salt Lake City, at dusk is still heard in its streets the rumble of caissons and baggage wagons. But no other sound is heard, save the murmur of the creek, nor is there sign of life in the city of the saints—Zion is deserted.

One of the Busiest Scenes

ever seen in this city was in our TAILOR-MADE SUIT department yesterday, where dozens of our handsome Ladies' Suits were eagerly taken at the half price which prevailed. The ladies who patronized this extraordinary sale believed our word that the styles are very much the same as those that will come later, and when they saw the goods with the original mark on them, the saving of ONE-HALF was plainly apparent. We never misrepresent, and if you miss this sale which closes tomorrow you miss a splendid opportunity to secure your early fall suit.
